

# St Joseph and St Theresa's Reading Rockets

Reading is very important at St Joseph and St Theresa Catholic Primary School as we know that much research has shown that children who read regularly at home perform better at school. We have recently introduced Reading Rockets to provide a children's voice in how we promote reading throughout the school.

Reading Rockets are chosen for their love of reading, their willingness to share this passion with others and enthusiasm to promote reading throughout the school.

## Reading Rocket Roles:

- \* Part of the job of the reading rocket is to encourage others to read.
- \* Monitor children's attainment of the reading challenge.
- \* Share book reviews and recommendations with their classes.
- \* Complete library audits to find out what books, genres, dictionaries and thesauruses are needed to support reading.
- \* Help with Reading Events across the school.
- \* Help create displays to promote reading within school.

**Meet our year 5 and 6 READING ROCKETS- here to promote and encourage a real love of reading for pleasure! WE LOVE TO READ!**
